Cement Mixer

The Italian made COSMO Mixer 80 is a 3-point linkage chain driven mixer designed for farm and home use. This premium attachment can mix concrete and transport it to hard to reach places, enable farmers to mix fodder or feed for animals and bulk wash fruit and vegetables.

The wide mouthed hopper is formed from two rolled cones from 3mm sheet steel. Rolling the cones makes the hopper stronger as there are no welds or forming issues. This strength allows the 320ltr hopper to mix at maximum capacity (195ltr / 0.2m^3 / 7 ft^3) easily. A double-acting hydraulic cylinder (18" x 2" ram) is used to raise and empty the hopper.

Painted in the COSMO factory in Italy, the mixers high-quality finish will last for many years.

Refer to page 67 for details of COSMO's state of the art, automated painting system.

Code	CM80-320
Size reference	80 - 320ltr
Transmission	Chain drive (10:1 reduction ratio) 540rpm
Capacity	195lt / 0.2m^3 / 7ft^3
Tipping mechanism	Hydraulic (18" x 2" ram)
Linkage	Category 1, height adjustable bolt-on pins
Dimensions	
Width (mm)	860
Depth (mm)	930
Height (mm)	950
Tractor range (hp)	35+
Weight (kg)	100
